1. Aims

The aims of relationships and sex education (RSE) at The Copper Academy are to:

- › Provide a framework in which sensitive discussions can take place
- › Prepare pupils for puberty, and give them an understanding of sexual development and the importance of health and hygiene
- › Help pupils develop feelings of self-respect, confidence, and empathy
- › Create a positive culture around issues of sexuality and relationships
- › Teach pupils the correct vocabulary to describe themselves and their bodies

2. Statutory requirements

As a academy, we must provide RSE to all pupils under section 34 of the [Children and Social Work Act 2017](#).

In teaching RSE, we're required by our funding agreements to have regard to [guidance](#) issued by the secretary of state, as outlined in section 403 of the [Education Act 1996](#).

We also have regard to legal duties set out in:

- Sections 406 and 407 of the Education Act 1996
- Part 6, chapter 1 of the [Equality Act 2010](#)
- The Public Sector Equality Duty (as set out in section 149 of the Equality Act 2010). This duty requires public bodies to have due regard to the need to eliminate discrimination, advance equality of opportunity and foster good relations between different people when carrying out their activities

At The Copper Academy, we teach RSE as set out in this policy.

3. Definition

RSE is about the emotional, social, and cultural development of pupils, and involves learning about relationships, sexual health, sexuality, healthy lifestyles, diversity and personal identity.

RSE involves a combination of sharing information and exploring issues and values.

RSE is not about the promotion of sexual activity.

4. Curriculum

We have developed the curriculum in considering the age, developmental stage, needs and feelings of our pupils.

The Copper Academy is also aware that some of our students may have had traumatic experiences surrounding this subject and will work closely with pupils and their parents/ carers with a choice to be able to opt out of these lessons.

If pupils ask questions outside the scope of this policy, staff will respond in an appropriate manner so that pupils are fully informed and don't seek answers online.

5. Delivery of RSE

RSE focuses on giving young people the information they need to help them develop healthy, nurturing relationships of all kinds including:

- Families
- Respectful relationships, including friendships
- Online and media
- Being safe
- Intimate and sexual relationships, including sexual health

These areas of learning are taught within the context of family life, taking care to make sure that there is no stigmatisation of children based on their home circumstances (families can include single parent families, LGBT parents, families headed by grandparents, adoptive parents and foster parents/carers, amongst other structures), along with reflecting sensitively that some children may have a different structure of support around them (for example, looked-after children or young carers).

We will also be mindful of the law and legal requirements, taking care not to condone or encourage illegal political activity, such as violent action against people, criminal damage to property, hate crime, terrorism or the illegal use of drugs.

5.1 Inclusivity

We will teach about these topics in a manner that:

- Considers how a diverse range of pupils will relate to them
- Is sensitive to all pupils' experiences
- During lessons, makes pupils feel:
 - Safe and supported
 - Able to engage with the key messages

We will also:

- Make sure that pupils learn about these topics in an environment that's appropriate for them, for example in:
 - A whole class setting
 - 1-to-1 discussions

- Give careful consideration to the level of differentiation needed here at The Copper Academy

5.2 Use of resources

We **will** consider whether any resources we plan to use:

- Are aligned with the teaching requirements
- Would support pupils in applying their knowledge in different contexts and settings
- Are age-appropriate, given the age, developmental stage and background of our pupils
- Are evidence-based and contain robust facts and statistics
- Fit into our curriculum plan
- Are from credible sources

- Are compatible with effective teaching approaches
- Are sensitive to pupils' experiences and won't provoke distress

6. Roles and responsibilities

6.1 The headteacher

The headteacher Emma Hosie is responsible for ensuring that RSE is taught consistently across the academy, and for managing requests to withdraw pupils from components of RSE.

6.2 Staff

Staff are responsible for:

- › Delivering RSE in a sensitive way
- › Modelling positive attitudes to RSE
- › Monitoring progress
- › Responding to the needs of individual pupils
- › Responding appropriately to pupils whose parents wish them to be withdrawn from the components of RSE

Staff do not have the right to opt out of teaching RSE. Staff who have concerns about teaching RSE are encouraged to discuss this with the headteacher Emma Hosie.

Staff delivering RSE are:

Emma Hosie

Poppy Quartermain -Winser

6.3 Pupils

Pupils are expected to engage fully in RSE and, when discussing issues related to RSE, treat others with respect and sensitivity.

7. Parents' right to withdraw

Parents have the right to withdraw their children from RSE up to and until 3 terms before the child turns 16. After this point, if the child wishes to receive sex education rather than being withdrawn, the school will arrange this.

Requests for withdrawal should be put in writing and addressed to the headteacher Emma Hosie.

A copy of withdrawal requests will be placed in the pupil's educational record. The headteacher Emma Hosie will discuss the request with parents and take appropriate action.

Alternative schoolwork will be given to students who are withdrawn from sex education.
